

## The *Pride Advantage* for Your Business

The PrideAdvantage fueling program brings you the most advanced fueling controls – 24 hours a day, 365 days a year – via a network of more than 55,000 sites nationwide. Everywhere you see a Pacific Pride, Fuelman, Chevron, Texaco, Pilot, Love’s or Flying J sign, your PrideAdvantage card is welcome and accepted. With PrideAdvantage, convenient fueling locations allow you the ease of carrying one fueling card that provides you with a single detailed invoice to better manage your fuel purchases. And most importantly, PrideAdvantage will give you a fueling program tailored to your requirements including an unrivaled diesel network, industry leading security controls and online account access.

### The Advantage of Cardlock Fueling

- Dedicated diesel fueling islands

### Customize Your Fueling Requirements

PrideAdvantage allows you to establish profiles for individual drivers, or your entire fleet. Setting up fueling times, gallon limits, and product controls helps you manage fuel consumption. Available controls include, but are not limited to:

- Per day transaction limits
- Per transaction gallon limits
- Time of day and day of week fueling controls
- Strict product controls at cardlock Locations
- Floating Driver Identification Number (DIN) which creates a virtual driver card
