PERSONAL GUARANTEE

In consideration of Supplier's granting credit to _____ (hereinafter "Buyer"), in accordance with the Commercial Account Request and Agreement submitted by Buyer, the undersigned unconditionally guarantees and promises to pay to Supplier, on demand, any and all indebtedness of Buyer to Supplier. This is a continuing guaranty relating to any indebtedness, including that arising under successive transactions which shall either continue the indebtedness or from time to time renew it after it has been satisfied. This Guaranty shall apply to successor entities in which the Guarantor is either an officer, shareholder, director, and/or partner. This Guaranty shall not apply to any indebtedness created after actual receipt by Supplier of written notice of its revocation as to future transactions. The obligation created hereunder is independent of the obligation of Buyer and a separate action may be brought and prosecuted against Guarantor whether action is brought against Buyer or whether Buyer is joined in any such action.

Any married person who signs this Guaranty as Guarantor hereby expressly agrees that recourse may be had against both his or her separate property and community property. This Guaranty is effective when received by Supplier without the necessity of any further action being taken by Supplier or any notice being given to the Guarantor or customer. This Guaranty shall bind the estate of the Guarantor as to any indebtedness created both before and after the death or incapacity of the Guarantor, regardless of Supplier's actual notice of Guarantor's death. Subject to the foregoing, the Guarantor's executor, administrator or other legal representative may terminate this Guaranty in the same manner in which Guarantor might have terminated it and with the same effect.

It is anticipated that fluctuations may occur in the aggregate amount of indebtedness covered by this Guaranty, and it is specifically acknowledged and agreed by Guarantor that reductions in the amount of the indebtedness, even to zero dollars (\$0.00) prior to written revocation of this Guaranty by Guarantor shall not constitute a termination of this Guaranty.

The Guarantor authorizes Supplier, either before or after any revocation of the Guaranty, without notice or demand and without lessening Guarantor's liability under this Guaranty, from time to time: (a) to alter, compromise, renew, extend, accelerate or otherwise change the time for payment or other terms of the indebtedness or any part of the indebtedness, including the rate of interest; (b) to take or hold security for the payment of this Guaranty or indebtedness and exchange, enforce, waive, fail or decide not to perfect, and release any such security, with or without substitution of new collateral; (c) to release, substitute, agree not to sue, or deal with any one or more of the customer's sureties, endorsers, or other guarantors on any terms or in any manner Supplier may choose; (d) to determine how, when, and what application of payments and credits shall be made on the indebtedness; (e) to assign or transfer this Guaranty in whole or in part.

Except as prohibited by applicable law, Guarantor waives any right to require Supplier to: (a) make any presentment, protest, demand, or notice of any kind, including notice of change of any terms of repayment of the indebtedness, default by customer or any other guarantor or surety, any action or nonaction taken by Supplier, the customer or any other guarantor, or the creation of new or additional indebtedness; (b) proceed against any person, including customer, before proceeding against Guarantor; (c) proceed against any collateral, before proceeding against Guarantor; (d) apply any payments or proceeds received against the indebtedness in any order; (e) pursue any remedy of course of action. Guarantor also waives: (a) any and all rights and defenses arising by reason of any act or omission by Supplier which directly or indirectly results in or contributes to the discharge of the customer; (b) any statutes of limitation in any action under this Guaranty or on the indebtedness; (c) any modification or change in the terms of the indebtedness whatsoever, including without limitation, the renewal, extension, acceleration or other change in the time of payment of the indebtedness as due and any change in the interest rate prior to modification. Until all the indebtedness is paid in full, Guarantor shall have no right of subrogation, and Guarantor waives any defense Guarantor may have based upon election of remedies by Supplier which limits or destroys Guarantor's subrogation rights.

"Supplier" has the same meaning as in the Buyer's Commercial Account Request and Agreement.

Guarantor agrees to pay upon demand all of Supplier's costs and expenses, including attorneys' fees and legal expenses incurred in connection with the enforcement of this Guaranty.
